this series is four books with each book resulting from the daily devotionals written for each volume for series covers a quarter of a year i hope you enjoy this series and even more i hope you find inspiration to live a life filled with the love of christ some of the topics might seem controversial but my intention is to share my sense of god s love as it shared with me my intentions are the simple fact that as christians we already know that we cannot earn our way to heaven if we could earn our way to heaven there would have been no need for christ to come to earth and be sacrificed for our salvation with that in mind it should also be acknowledged that if we cannot earn our way to heaven we cannot facilitate the entrance into heaven for any other person by any means than simply sharing god s love and encouraging them to accept christ as their savior while in turn sharing god s love with all they encounter as well should you find this book and others in the series

to be useful in your faith journey feel free to contact me and let me know how we discover christ and invite him into our lives is not as important as the simple act of doing so i encourage all people to really investigate the promise of jesus and the peace and love he brings your life when you turn your life over to him grace peace and love to all amen
