since the shocking news first broke in 1876 of the seventh cavalry's disastrous defeat at the little big horn fascination with the battle and with lieutenant george armstrong custer has never ceased widespread interest in the subject has spawned a vast outpouring of literature which only increases with time this two volume bibliography of custer literature is the first to be published in some twenty five years and the most complete ever assembled drawing on years of research michael o keefe has compiled entries for roughly 3 000 books and 7 000 articles and pamphlets covering both nonfiction and fiction but not juvenile literature the bibliography focuses on events beginning with custer's tenure at west point during the 1850s and ending with the massacre at wounded knee in 1890 included within this span are custer's experiences in the civil war and in texas the 1873 yellowstone and 1874 black hills expeditions the great sioux war of 1876 77 and the seventh cavalry's pursuit of the nez perces in 1877 the literature on custer the battle of the little big horn and the seventh cavalry touches the entire american saga of exploration conflict and settlement in the west including virtually all plains indian tribes the frontier army railroading mining and trading hence this bibliography will be a valuable resource for a broad audience of historians librarians collectors and custer enthusiasts

little big horn was the greatest and the last victory of the native americans over the united states military disobeying orders george armstrong custer and the 7th cavalry regiment followed a trail to a large encampment of indians without determining the numbers he faced custer split his command into three groups and attacked the resulting chaos has passed into legend as the most infamous battle of the indian wars as custer and more than half the troops under his command were killed page 4 of cover

norman denzin shows how artistic representations of little big horn demonstrate the changing perceptions often racist of native america by the majority culture in this multilayered performance ethnography

with so much written about the actual battle at the little bighorn on june 25 1876 roger l williams has now compiled a wealth of data concerning the men of the 7th cavalry at the time of the engagement military register of custer's last command presents for the first time the complete military history of every enlisted man on the regimental rolls with particular attention devoted to the well known campaigns from the washita to wounded knee as the first in depth analysis of the statistics related to the battle military register of custer's last command is the most extensive work available on the 7th cavalry with its exhaustive bibliography it will stand as a definitive resource for historians and enthusiasts and a tribute to all enlisted soldiers on the western frontier

Custer's last battle re-creates the fight as Custer and his troops and Sitting Bull and his braves saw it. Maps detail Custer's plan of attack and Sitting Bull's successful ambush. Endpapers detail the exact disposition of the men at the battle's critical moment. The anguish and tumult of the fight was described by Major M. A. Reno, one of the survivors, and the aftermath of the battle by Custer's widow Elizabeth and his commanding general William Tecumseh Sherman. Jacket.

On June 25, 1876, in the plains of southern Montana, Lieutenant Colonel George Armstrong Custer led the Seventh Cavalry into battle with a powerful force of Sioux and Cheyenne warriors. Not one member of Custer's battalion survived the battle, the greatest single victory of the Plains Indians in their war with the United States since that fateful day. Historians have debated the tactics and strategy of both sides, exactly how the battle proceeded, and what Custer should have done differently.

This work contains the personal reflections of Nelson A. Miles and focuses on his career as an American military general who served in the American Civil War, the American Indian Wars, and the Spanish-American War.
