cameron winters is a freak a mind reader who can hear the thoughts of those around her although her life has been far from ideal she has finally found peace on a caribbean island far away from her troubles but her troubles are about to find her in the form of a gorgeous government agent named maddox

cameron winters is a freak fortunately no one but her family knows the truth that cameron can read minds for years cameron has hidden behind a facade of normalcy warned that there are those who would do her harm when gorgeous and mysterious lewis douglas arrives he

destroys everything cameron has ever believed and tempts her with possibilities of freedom determined to embrace her hidden talents cameron heads to a secret haven with lewis a place where she meets others like her mind readers but as cameron soon finds out some things are too good to be true when the mind readers realize the extent of cameron s abilities they want to use her powers for their own needs cameron suddenly finds herself involved in a war in which her idea of what is right and wrong is greatly tested in the end she ll be forced to make a choice that will not only threaten her relationship with lewis but her very life this young adult book is best for ages 14 and over book 1 the mind readers book 2 the mind thieves book 3 the mind games

for years cameron has hidden behind a façade of normalcy warned there were those who would do her harm should they uncover the truth that she is a mind reader she never imagined her biggest threat would come from the parents she thought dead cameron s life changes dramatically when she s abducted by her mother a woman she hasn t seen in thirteen years even more shocking is the truth cameron s mother leads a group of rogue mind readers and their number one enemy is cameron s very own father everyone has their own agenda and cameron is caught in the middle unsure who to trust but one thing is clear war looms on the horizon and in order to save those she loves cameron must not only pick sides but learn to believe in herself and her powers this book contains kissing and cursing it is best for ages 14 and up books in the mind readers series book 1 the mind readersbook 2 the mind thievesbook 3 the mind games

climbing the broken judicial ladder continues the author s journey of exploring the heartbreak and loss of first adopting cordelia with severe reactive attachment disorder rad in washington state and then of nearly losing her to the draconian and confused child welfare legal complex in los angeles in this third volume of his denied failing cordelia trilogy cambridge climbs the broken california judicial ladder from the california court of appeals second appellate district based in los angeles to the california supreme court cambridge concludes that in appeals relating to dependency cases the ladder is broken for parents seeking to advocate for themselves and for the true best interests of their children policies relating to child welfare are flawed cambridge argues because of the preemptive and prejudicial response to the issues raised during the detention of children as with his two earlier books cambridge explores issues connected with how best to parent his adopted daughter and advocate for her needs in the context of a dependency case cordelia s reactive attachment disorder would surface throughout the judicial struggle as would the author s own struggles with asperger syndrome each would feed negatively into the overall trauma and drama of the author s unrelenting quest to reunite his forever family cambridge believes

that dependency proceedings are ill equipped on many levels to elicit a proper understanding of and of the therapeutic parenting needed to address it cambridge believes that adoptive parents of children with special needs need to be understood by more sympathetic social workers and by therapists trained in attachment disorders cambridge s persistent efforts to reunite his forever family would leave him increasingly isolated as he climbs the judicial ladder based on his experiences cambridge explores areas for reform in los angeles dependency proceedings and evokes shakespeare s king lear by arguing that social workers need to see better and that the los angeles juvenile dependency court needs to encourage a broader understanding of the issues raised through more effective legal advocacy from assigned dependency lawyers cambridge argues that parents should be allowed to address the court directly cambridge also relates how he and his daughter have found many positive and healthy ways to heal in the years since their dependency case ended much trauma could have been avoided if those around them had seen better and had recognized the value in their dramatic and loving adoption journey
